

Sales guide

Naturtex is a company specialized in the design and manufacturing of innovative fabrics made from natural fibers, blending tradition and technology to offer high-quality solutions in rugs and coverings. With a strong connection to craftsmanship and contemporary design, Naturtex collaborates closely with architecture and interior design studios to develop tailor-made projects that stand out for their creativity, sustainability, and technical excellence. Its versatile approach and ability to adapt to industry trends make it a benchmark in the contract and decoration sector.
